 [] Shane: Add me to the New York Propane Gas Association "Training Notices List" (you don't have to register to be on the list. Send this page to NYPGA)

Classes start at 8:30 a.m. Registration deadline is 10 days before class start date. For non-members, payment is due at the time of registration. Invoices will not be issued to non-members. Minimum students to run a class is 7 students. NYPGA will not refund payment if a registered individual fails to attend the class without 10 days WRITTEN cancellation notice. NYPGA reserves the right to substitute instructors without notice, to correct registrations that contain errors, and charge credit cards accordingly after giving you notice of the change. NYPGA will CONFIRM REGISTRATION by email: If you do not have a confirmation, do not assume you are registered. WALKINS or ATTENDANCE WITHOUT NOTICE cannot be accommodated. Pre-registered students have priority over materials ordered vs walk-ins or late registered students. Registrations received after deadline will be subject to and billed for express shipping charges incurred by NYPGA.

TEST ONLY days are provided for students that have completed the full course online, but need a registered proctor to administer their exam. Pre-registration and proof of course completion is REQUIRED to attend. This is a ½ day review of the course material, as well as the exam. The exam fee (\$85) is included with this course, supplemented with funds from PERC.

Need information about the Remaining Current programs available? Please contact us today!

See http://www.nypropane.com/uploadedFiles/State/New_York/CETP%20Certification%20Description%20and%20Prerequisites.pdf for detailed CETP course descriptions.

IMPORTANT INFORMATION: CETP Skills Assessments must be completed and passed within 1 year of completing a CETP course to obtain certification. Please see <https://www.npga.org/i4a/pages/index.cfm?pageid=1698> for more information on completing Skills Assessments.
